The Collierville Board of Education provides for public participation during Board Business Meetings. Board Business Meetings are not public forum; however, a provision is made for public participation. To assure an orderly business meeting, the Board requires that an individual requesting to address Board members make that request giving the topic to the Superintendent or Board Chairman prior to the Board meeting. The Chairman shall determine if the request will be granted, the time allowed for the presentation and if there are numerous requests on the same subject, the Chairman may request a representative to speak on each side of the issue.
